## Peters "Prattling"

### Scale Model World - Telford 2017

By the time I write this Telford is just upon us and I won't have time to do a full write up of how it went until next month. However, I will say a big thank you to those that have "volunteered" to perform some tasks during the show as requested by the organisers (Steve & Allen take a bow – assuming you actually did the time!). Also thanks to all those who attend and display and spent some time behind the stand. At time of writing we were in a very favourable spot this year, namely the middle hall so we should be nice and cosy and next to clubs we know (IPMS London and US Navy SIG).

### December Meeting Is Early!

An important reminder that next month the meeting is a week early on 11<sup>th</sup> December. We have our normal nibbles and a quiz scheduled for the evening. I have a quiz prepared, and in case you are wondering, no I was never in the Boy Scouts. If someone else would like to contribute with a different quiz please feel free I won't be offended.

More reminders that it might be an idea if you can all co-ordinate a little to ensure we don't just bring sausage rolls or mince pies but a selection would be great. I'll bring some fizzy drinks to help wash down the food in addition to the normal tea and coffee that is.

### London Model Show

I will be away for this one, so you'll need to organise yourselves. I've asked for any "paperwork" to go to Allen as he was planning on attending. Note it is in a new location.

Haverstock Hill School  
Haverstock Hill Road  
Camden  
London  
NW3 2BQ

**Guideline Publications**  
**LONDON PLASTIC MODELLING SHOW**
