AGM February 2019

A reminder that next month is the AGM where we decide on things such as who oversees the running of the club, what the monthly meetings will consist of, the format and possible themes for competitions and anything else you can think of. Thinking caps on please for ideas for meeting subjects or people you know who may be able to give us a talk about something of interest or is there something modelling related you could demonstrate

It will also be the last competition round of the year for the Theme Build for "Not the country of origin" subjects, for which points will count towards the final positions of the club competitions.

Southern Expo 2018 – March 16th & 17th 2019

Hopefully you won't need reminding but don't forget that the show is starting to get nearer. Planning is well under way but as ever we as the organisers and also the club will really need your help. Friday night setup will happen really quickly, blink and you miss it but partly that is due to the number of helpers, we will most likely need some volunteers to help out on Saturday and Sunday and the club stand will need manning as this is the ideal opportunity for the club to attract new members. Then on Sunday we will need more help breaking down the tables and moving them for collection, again the more the merrier.

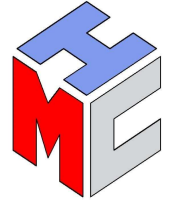

Possible New Show

I've had a report from a trader who attends Southern Expo and there is a possibility that they are organising a new model show somewhere in the Elstree/ Borehamwood area, possibly for 12th May. Would we be interested in attending? Might clash with the Lancing show that weekend which Robin & I normally go to.
